Newspaper Clipping Service

The Newspaper Clipping Service has been initiated by the Library Section of the Sikkim Judicial Academy to establish a systematic mechanism for collecting and preserving important news items relating to:

1. The Hon'ble Supreme Court of India;
2. The Hon'ble High Court of Sikkim;
3. The Hon'ble High Courts of other States;
4. Sikkim Judicial Academy and other State Judicial Academies;
5. Sikkim State Legal Service Authority; and
6. Legislative developments of the State of Sikkim, including Acts, Rules, Amendments of Acts, Notifications, and other related developments made by the Sikkim Legislative Assembly.

In addition to the above, the service also covers other significant legal, constitutional, judicial, and public law related developments of national and state importance, as may be relevant for academic and reference purposes.

The service utilizes the Academy's existing subscriptions to:

1. The Hindu
2. Sikkim Express
3. Hamro Prajashakti

Under this initiative, relevant judicial and legislative news is regularly identified, clipped, classified, and preserved for reference and academic use.

The objective of the service is to maintain an organized and accessible record of legal and legislative developments for officers, staff, and other users.

The service is operational in both physical and digital formats with effect from 28 January 2026.
