

TENDER DOCUMENT

No.: 12/SJA/2025-26

Date: 20.05.2025

Work Description: Supply and installation of Automatic Transfer Switch (ATS) / AMF Panel for Diesel Generator at Sikkim Judicial Academy

Last Date and Time

of Submission: 20.06.2025 on or before 4 p.m.

Place of Submission: At the office of the Director (Receipt Section), Sikkim Judicial Academy, below Convoy Ground, above Aadhaar Office, Sokeythang, Tadong

Tender Opening: Date,

Time and Location: 21.06.2025, at 11 a.m., at the Office of the Director, Sikkim Judicial Academy, below Convoy Ground, above Aadhaar Office, Sokeythang, Tadong

1. Sikkim Judicial Academy (*hereinafter referred as the 'Academy'*) invites tenders for the supply and installation of Automatic Transfer Switch (ATS) / AMF Panel for Diesel Generator at Sikkim Judicial Academy.
2. The Bidder shall deposit Rs. 10,000/- (Rupees ten thousand only) as Earnest Money Deposit (EMD) by means of Demand Draft in the name of Director, Sikkim Judicial Academy. Tender submitted without the prescribed EMD will be rejected, and in case of refusal by the successful bidder to perform the required services, earnest money will be forfeited.
3. The rates to be quoted shall include all applicable taxes. No amount above the bid will be paid by the Academy to the bidder in addition to the rates quoted.
4. The rates quoted should be inclusive of the transit insurance up to the destination and it shall be at the cost of the tenderer.
5. The items to be delivered must conform to/bear the mark of Bureau of Indian Standards (BIS) and other equivalent standards.
6. The safety of the items to be delivered on site, as well as its installation, shall be the sole responsibility of the bidder.

7. The decision of the Academy shall be final and binding with regard to the bid. All pages of this Tender Document will have to be submitted duly signed and sealed by Bidder after due consideration of the Terms and Conditions prescribed herein.
8. The Academy reserves the right to accept or reject any or all tenders, in whole or in part, any bidder without assigning any reason whatsoever.
9. The Academy shall reserve the right to change/modify/amend any/all provisions of the tender documents.

Scope of Work

10. The successful bidder shall supply, install, test and commission the ATS/AMF panel as per the specifications provided in Annexure III.
11. The Academy will have the option to terminate the services after giving a notice of one month in writing without assigning any reason, if the successful bidder commits breach of any of the conditions contained in the tender or fails to render services to the satisfaction of the Academy.
12. The successful bidder may choose to forfeit the service by giving two months prior notice in writing. However, the sole discretion of forfeiture lies with the Academy. The alteration done to the infrastructure, if the notice is given midway, shall be returned to its original form at the expense of the successful bidder.
13. The successful bidder shall provide an adequate numbers of competent and well-trained workers for quick and proper supply and installation.
14. The successful bidder must complete the supply and installation within 60 days from the date of issue of the work order.
15. A penalty of Rs. 1000/- (Rupees one thousand only) per day will be levied for any delay beyond the stipulated completion period.
16. The successful bidder shall have full control on his/her/their employees and shall give necessary guidelines and instructions to carry out the job assigned to them.

17. Residential accommodation shall not be provided by the Academy to the workers of the successful bidder.
18. The successful bidder shall ensure all safety precautions during the installation. Any damage caused to the existing infrastructure or personnel during the execution of work shall be the responsibility of the bidder.
19. The successful bidder or his/her/their staff shall not use the premises of the Academy for any other purpose apart from those related to the supply, installation, commissioning and testing of the system.
20. The successful bidder shall furnish the list of employees, along with their credentials, to be deployed at the Academy.
21. The successful bidder shall take prior permission from authorized officials of the Academy before deploying any employee at the Academy. However, the Academy reserves the right to reject any worker/staff employed by the bidder under the bid with the Academy, without assigning any reason.

Eligibility Criteria

22. Those bidders with prior experience in similar works (proof/documentation to be attached) only are to apply for the tenders.
23. Tender document should be duly filled and signed by the bidder on each page, embossed with the proprietor's official seal.
24. Tender received late on account of any reason whatsoever shall not be entertained.
25. The bidder must be an authorised supplier/installer of electrical equipment (Documents in this regard are to be enclosed with the tender document).
26. The bidder must have valid GST registration, Trade Licence, and PAN card.

Terms of Payment

27. Payment shall be released after successful installation, commissioning, and testing of the system, certified by the competent authority of Sikkim Judicial Academy.

28.No advance payment shall be made.

Disputes Resolution

29.All disputes arising under this agreement shall be settled amicably through discussions between the parties.

30.In case of any unsettled disputes, the same shall be referred to the Arbitrator appointed by the Academy. The place of arbitration shall be at Gangtok. The provisions of the Arbitration and Conciliation Act, 1996 shall be applicable to such proceedings and the decision of the Arbitrator shall be final and binding on both the parties.

Warranty and Maintenance

31.The system and its components must carry a minimum warranty of 12 months from the date of installation.

32.Any defects arising during the warranty period should be rectified free of cost by the successful bidder.

I/We have read and fully understood the above terms and conditions, and hereby accept them without any reservations.

Annexure-II
Profile of the Bidder

Sl. No.	Particulars	To be filled by the Bidder
1.	Name of the bidder/firm/organization/company	
2.	Type of firm/ organization (Proprietorship/ Partnership/ Private (Furnish copies of partnership/memorandum of Articles of association etc.)	
3.	Name of the Proprietor/partners/directors of the firm	
4.	Year of Incorporation/registration	
5.	Registered address of the firm	
6.	Name, designation, telephone nos., email of the contact person/authorized signatory	
7.	Whether License for supply and installation of Diesel Generator and such components as mentioned in this tender document is available. Obtained (Yes/No) (Copy to be enclosed)	
8.	Whether the firm has been in business for at least 5 years (Yes/No) (Copy to be enclosed)	
9.	Annual turnover of the firm for the last 3 years (in Rs. Lakh) (Furnish copies of audited balance- sheets and profit and loss account statements)	(a) FY 2018-19 (b) FY 2019-20 (c) FY 2021-22
10.	a) Details of Registration (Firm, Company etc) b) Registering Authority c) Date d) Number	
11.	Registration Nos. under various statutory Act viz, EPF, ESIC, if applicable (copy of registration certificate to be enclosed) Goods	

	and Service Tax. Employee's organization provident fund Employee State Insurance Scheme	
12.	Permanent Account Number (Copies of Income-Tax returns for last 3 years to be enclosed)	

Note: Copies of all the documents relevant to above details to be enclosed.

Annexure - III

Sl. No.	Component	Specification / Description
Current installation at Sikkim Judicial Academy		
1.	Diesel Generator (Mahindra Powerol)	Power Rating (100KVA), auto-start feature, fuel-powered (diesel)
2.	Generator Supply	Standard utility power (415V three-phase)
3.	Grid Supply	Standard utility power (415V three-phase)
Required to be supplied, installed, commissioned and tested by the successful bidder		
1.	ATS / AMF Panel	Auto-detects power failure, sends start/stop signal to DG, switches load between grid & DG
2.	Load	Devices or systems requiring uninterrupted power
3.	Delay Timers	Programmable (15-20 seconds for startup delay/Generator require time for startup and stability delay, 1-2 minutes for grid stability delay)
4.	Voltage Sensors/ Phase Indicator	Monitors input voltage from grid and DG (Diesel Generator)
5.	Control Wiring	Connects ATS (Automatic Transfer Switch) / AMF panel (Automatic Mains Failure) to DG for auto start/stop commands
6.	Safety & Protection Enhancements Breaker/ Contactor	Ensures electrical isolation and load protection
7.	Phase Sequence Corrector/ Changer Standard utility power (415V three-phase)	Automatic phase correction by interchanging any two phases, or built-in phase failure and reversal protection using contactor or relay-based switching

8.	Auto & Manual setup	Auto & Manual mode is essential for cases where the ATS fails to operate correctly or when automatic generator operation is not required
9.	Over/Under Voltage Relays or Breaker	To protect sensitive loads, both the mains and DG are used, with the ability to disconnect the main supply when equipment repairs are being carried out
